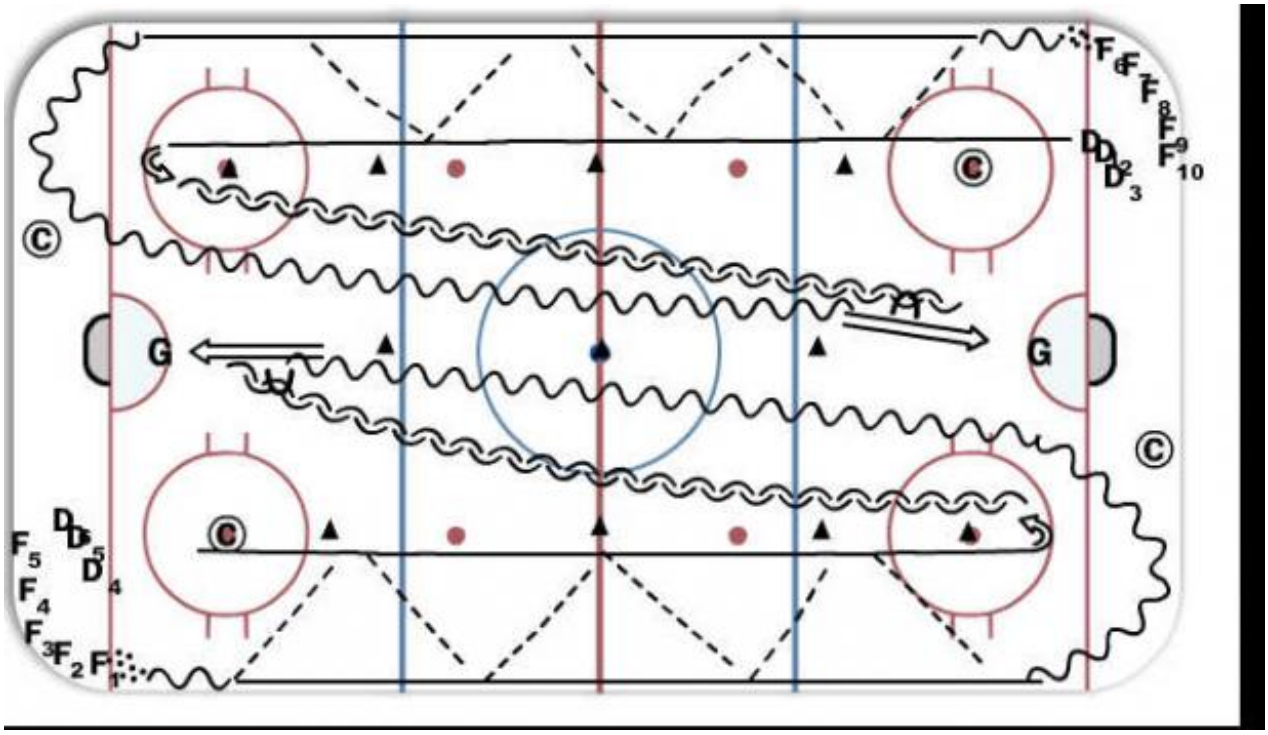
2 man pass into 1 on 1



Description

2 players start out of corner, forward with puck makes pass to d-man, who makes return pass, this continues to other end at hashmarks where forward will end up with puck. D-man will pivot at bottom cone and forward will swing low and come up ice 1 on 1. Once players cross blueline puck is live, meaning defence is trying to take the puck and forward is trying to protect the puck and get a shot on net.
