

# Agility Shooting

[Animation #1](#)

## Description

1 starts skating backwards - 1 and 2 pass the puck back and forth as many times as possible before 1 reaches the cone.

1 pivots forward around the cone and takes a quick shot, then drives to the net and gets a second puck from 2

1 pivots backwards and skates toward the far cone, receiving a pass from 2

1 pivots forward around the cone and takes a quick shot, then drives to the net and gets another puck from 2
